A *SCORE* UNLIKE ANY OTHER!

Your guide to this combined anniversary/awards issue.

If you're experiencing a little bit of déjà vu right now, that means two things: 1.) You've been a *SCORE* reader for a long time; 2.) You have a very good memory.

The photo of Linsey Dawn McKenzie on the front cover of this issue is from the same set as the one we used on the cover of the December 1996 issue (below), when Linsey celebrated her 18th birthday and made her *SCORE* debut. That was a big event, one that had a huge affect on big-boob history. Linsey would become one of the most-popular *SCORE* Girls ever and a major contributor to our success.

SaRenna Lee (below) was the covergirl of our 10th anniversary issue in 2002. The 15th- and 20th-anniversary covers consisted of collages of numerous great girls. For this, our 25th anniversary issue, we felt it was time to give Linsey her due, and we couldn't think of a better photo set to choose from than the one in which Linsey wore a painted-on tuxedo.

And that's the reason for your déjà vu.

If you've been with us for all or most of the past 25 years, this issue will bring back many fond memories. The girls are spectacular; only the best of the best made it into this issue. Consider it a tribute to the No. 1 reason we're still around after all these years: We've always had the best girls. Sure, the quality of the mags has always been first-rate, from the photography to the printing to the paper, but without the girls, we would've been on the trash heap of publishing history a long time ago.

SaRenna, covergirl of the 10th anniversary issue.

But this anniversary issue doesn't just celebrate a magnificent past. It celebrates the present and the future. We decided to combine our 25th anniversary celebration with our annual awards issue.

So, here's how this issue works: We begin with our 2016 Newcomer of the Year and our 23rd Big-Boob Hall of Fame inductee. The middle of the issue consists of special anniversary pictorials, each focusing on an important aspect of *SCORE*'s history. Then we wrap things up with two more award-winners: Hardcore Performer of the Year and Model of the Year.

Okay, so maybe the cover of this issue isn't unlike any other. But the rest of this issue certainly is. Enjoy.**–Dave Rosenbaum, Editor**

NEWCOMER OF THE YEAR 2016

WINNER

DOLLY FOX

There were seven issues of *SCORE* in 2016. Dolly appeared in three of them. That should tell you how highly we feel about this slim 'n' stacked HH-cupper, but the Newcomer of the Year voting isn't about how *we* feel. It's about how *you* feel. "I am in awe of Dolly and just about out of words. She is so fucking incredible!" is how Boobhound expressed his feelings.

In one of the closest Newcomer of the Year races ever, this reader's wife (and unabashed lover of big boobs) narrowly beat out Alexya, Rachel Raxxx and Tiggle Bitties for the prize. "Dolly has really burst onto the scene this year with her amazing looks, thrilling performances and sweet personality," said reader S.H. from Arlington, Virginia. "I have had the pleasure of talking with Dolly. She is such a humble, kind, and outgoing individual." With huge tits.

Said C.M., "Dolly is closest to the classic 1990s *SCORE* babes." Indeed, Dolly sees those girls as role models, and there's no telling how much bigger her boobs might get. "I like the attention from men and women, and it's also a lot of fun," Dolly said when we asked her why she decided to model. "They always say that you have the best job when it doesn't feel like working, and that's what I found in modeling. It gets better every time." Dolly's dream was to win Newcomer of the Year, so her winning the award seems fair. After all, she's been making our dreams come true.

Big Boob Hall of Fame

INDUCTEE

LORNA MORGAN

THE WELSH WONDER LED THE BRITISH BIG-TIT INVASION

Becoming one of the greatest naturally stacked models wasn't originally on the agenda for Lorna. In the late 1990s, she was at home in Cardiff, Wales, working on the other side of the camera as an agent for models. "The whole modeling thing wasn't something that entered my head because I'm little and I don't have long legs," she said. "I didn't think I'd be a model. It was other people who said, 'You should take those boobs and set them free!'" So she did.

SCORE Big Boob Hall of Fame INDUCTEE

Lorna never could have dreamed she'd become the queen of the on-location shoot, traveling to Portugal, the Bahamas (left), Key Largo, Florida and Eleuthera (where she did her hottest girl-girl with Gianna Rossi (below). She couldn't have imagined that her girl-next-door looks and personality would make her the 23rd member of the Big-Boob Hall of Fame.

Lorna, along with Kerry Marie and Jessica Turner, helped lead the British Big-Tit Invasion. She became popular during a time when many other big-boob models were doing porn, but she never stuck a finger or toy inside her pussy (although she surprised us by posing while pregnant in 2008). The secret to her success? "Even now, I don't take modeling that seriously," she once told us. "It's still something I have fun doing." And it showed.

Boob Beat

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

THE BEAT GOES ON

25 YEARS OF THE BEST IN BREASTS

Twenty-five years of the best and the bustiest. Twenty-five years of big boobs from E-cups to cup-sizes beyond belief. Twenty-five years of thousands of bras tossed aside so our photographers could get to work and you could enjoy the results. Twenty-five years of girls unlike any you're likely to see in public on any given day.

If you've been a reader since the first issue, June 1992, the parade of busty babes we've showcased has been nothing short of astonishing. I've been writing "Boob Beat" since the January 1993 issue, and I'm still amazed by the *SCORE* Girls.

One of *SCORE*'s great strengths is that there's always been someone for everyone. Girls with natural boobs. Girls with boob jobs. Girls who only fly solo. Girls who fuck on-camera. Girls of every race, ethnic background and nationality. Girls we discovered. Girls who discovered us. If their tits and bodies are right for *SCORE* (and our standards are high), they're welcome to enter these hallowed halls of hooters.

Over the years, we've brought you stars such as Linsey Dawn McKenzie, Kerry Marie, Nicole Peters, Karina Hart and Christy Marks and girls who posed only once or twice. Twenty-five years later, *SCORE* has outlasted all of its newsstand rivals…rivals who never did the group shoots on-location that we do. *SCORE* has also gone digital in an exact duplicate of the magazine, page for page, for those readers who've moved away from print to tablets and laptops. The 15th anniversary edition was a quick sellout. The 20th anniversary issue was a sellout. I'm sure this 25th anniversary issue will sellout in a flash, too.

Bring on the next 25 years!

Valory Irene, Hitomi, Sha and Joana in the D.R.

Minka: a *SCORE* Girl for 22 years.

GREAT COMEBACKS

After she hosted the DVD *Maximum Minka* in 2011, five years elapsed without a visit to our studio from Minka, who started with *SCORE* in October '94. Now Minka's returned without missing a beat, as if the five years were five weeks. She's still got her super-slim body, kept trim by daily tennis games, and her massive 44KKs are as eye-popping as ever. While so many of her peers from the Golden Age of the Super-sized '90s have retired, downsized and dropped out of sight, Minka is still going strong.

Danielle Derek's absence from *SCORE* was almost twice as long. Dave calls Danielle Derek, "The greatest fuck doll in the world." She's slim with high-riding tits, a cocksucker mouth, a little ass and "bang-me" eyes. Danielle also made a hardcore comeback in the same issue as Minka, February '17. When it rains, it rains busty babes.

Danielle's dream was to be a *SCORE* Girl.

SCORE Girls MEET THE FANS

Danielle Derek, Morgan Leigh & Daphne Rosen at the 2007 AVN.

In the 1990s, the adult trade shows exploded with conventions such as VSDA, AVN (later re-dubbed AEE), the Gentlemen's Club Owners Expo, Adultcon, Adultdex, Internext and the milder fan show Glamourcon. In 2006, the popular fan show Exxxotica was created.

I started going to the expos in 1992 and, over the years, took photos of the many *SCORE* Girls who attended them. It was really a Who's Who of busty showgirls, and they attracted major crowds.

When a group of models promoted *SCORE* at CES in January 1996, the fire marshals at the Sahara Hotel stopped letting people in due to overcrowding. A few European *SCORE* Girls also attended these shows: Brazil's Angelique at CES 1995, Germany's Chloe Vevrier at VSDA 1994, England's Cathy Barry in 2005 and Puma Swede several times. We discovered girls at the expos, too, among them Brianna Costello in 2006 and Anna D. Caans in 2002.

I took a lot of the pictures at the *SCORE* booths over the years and it was always a wild time. I remember an expo in 2004 when 20,000 people attended. Minka, Vixen LaMoore, Kayla Kleevage, Kandi Cox and special guests were surrounded by fans from opening to closing.

Rebecca Love, Crystal Gunns and Summer Sinn do AVN '06.

OUR GOAL
MAKING READERS HAPPY

Some guys want full-body shots. Others want total nudity with no emphasis on clothing or stripping. Some want more bra photos. Some like fetishes. Most guys want the models to smile. Some love slutty outfits. Others want to see the girls wearing clothing they might wear to the supermarket. Most don't like food play. Some want outdoor nature-girl photos. Others want whore-in-the-bedroom photos.

So what's a constant? "Fuck-me" poses and boob-oriented shots. I once wrote, "Men's magazine photography is not a collective experience and never will be. The debates will go on forever. Because everyone's taste is individualistic, there will never be 100% readership satisfaction. But that doesn't stop *SCORE* from trying to achieve that goal."

READERS' *Wives*

In recent years, a phenomenon has occurred: the wives or girlfriends of *SCORE* readers becoming *SCORE* Girls.

Kaytee Carter and Jasmine Shiraz came to *SCORE* through their boyfriends. Jayden Prescott, Red Vixen, Barbie Kelley, Kelly Christiansen, Ingrid Swenson and Shelby Gibson have generous husbands who encouraged their busty wives to pose. I dubbed them WILFs, or "Wives I'd Like To Fuck." All of them didn't model for anyone else…except for their husbands.

"It was definitely my idea," Mr. Gibson told me. "Shelby always wanted to pose for an adult site but didn't think she was hot enough. I encouraged her, and she finally agreed to let me send in some of her pics. She couldn't believe it when *SCORE* was interested in her."

Shelby said, "I love showing off and being the center of attention, so it was a long-time fantasy come true. Only *SCORE* Girls get to wear the *SCORE* shirt, so I'm really proud of it."

As she should be. Her husband is proud, too.

Shelby even did a blow job scene.

CLASSIC BOOB BLOOPERS

Busty Dusty was always a fun-loving girl who liked to play. She was posing for her on-location horse stable shoot (April '95) when she horsed around and pulled a double-cross on the photographer.

SCORE is 25. Codi Vore is 21.

GENERATION NEXT

Some of the girls we're debuting now were not born when *SCORE* was launched in 1992. Codi Vore, for example, was born in 1995. A beautiful blonde natural from Las Vegas, Codi just debuted in the April '17 issue and the response, as expected, was tremendous.

When knockout brunette Milly Marks (no relation to Christy Marks) contacted me, I immediately directed her to our studio so they could photograph her ASAP. Born in 1996, Milly's another natural with a killer body. You can see her in the July '17 issue of *Voluptuous*, which goes on-sale May 16.

The list of Generation Next girls is rich: Alexya, Rachel Raxxx, Daria, Tiggle Bitties and Demmy Blaze, to name a few, and two contest winners with pictorials in this edition, Katie Thornton and Dolly Fox. Katie and Dolly are hotties who would have fit right in with the superstars from the supersized '90s.

Know someone like them? Direct them to BeASCOREModel.com.

THE GOLDEN AGE OF BUSTY DANCERS

In the 1990s, nearly all of the *SCORE* Girls were exotic dancers, many of them feature headliners such as Busty Dusty, L.A. Bust, Dixie Bubbles and Crystal Gunns. Businessmen packed the clubs to see them. The bigger the breasts, the more they came. The agencies took notice, and some of them specialized in bra-busters, notably Universal Entertainment, which often recommended that dancers shoot for *SCORE* to gain recognition.

Today, nearly all of the *SCORE* Girls are not dancers, so I feel for the guys who can't go to strip clubs and have *SCORE* Girls in front of them for real, shaking their tits and motorboating them, like back in the day.

LATE NIGHT AT SCOREtv

SCOREtv is our version of a late-night TV talk show that mixes comedic skits with interviews, on-location events and big-boob news. *SCORE* editor Dave Rosenbaum is the host of this show, packed with many of the most-popular *SCORE* Girls. Two seasons and two holiday specials have been produced so far, and the episodes are great ways to get to know the girls in a different way.

Season One has nine episodes and Season Two has four. There's also a XXX feature film, *SCOREtv Uncut & Uncensored*. The episodes can be seen at *SCORELAND*, and several DVDs are available at eBoobStore.com. Check 'em out.

25 MORE YEARS!

We've seen many big-bust magazines come and we've seen them go. A lot of them were slapped-together junk. Publishing each issue of *SCORE* takes effort, care and dedication, and we have the best people in the business. No single person can do it alone. Our team of photographers, art directors, editors, studio staff, artists, back-office personnel, pre-press crew, printers and distribution staff are committed to giving you, the reader, the best possible magazine. But without your support, there wouldn't have been a 25th anniversary issue. For that, we thank you, and we thank the hundreds of *SCORE* Girls who make the world a better place.

Eva Notty gets to know me and Dave.

THE '90s

Big-Boob Hall of Famer SARENNA LEE was compared to Marilyn Monroe, but Marilyn never looked this good!

ALYSSA ALPS (left) was a feature dancer and a long-time columnist. **BUSTY DUSTY** (below) on the beach during Boob Cruise '95.

Say "The '90s" to any *SCORE* Man and his mind will immediately picture super-stacked hotties, most of them feature dancers, with tiny waists and long legs. He might envision big hair, but that'll be an afterthought to everything else that was big about the girls of his dreams. Was it a mere coincidence that the golden age of busty feature dancers occurred shortly after *SCORE* was born in 1992? Or was *SCORE* a major contributor to this phenomenon, making it possible for these girls to become stars?

ANGELIQUE was a rare model from Brazil who debuted in the Dec. '94 issue and sailed on two Boob Cruises. We thought she'd retired, but then she surprised us by returning in 2002.

MINKA was a tennis star in Korea before becoming one of the most popular *SCORE* Girls ever.

Not only did she have huge tits… KAYLA KLEEVAGE did some of the raunchiest porn scenes, too.

It's certainly no coincidence that nearly two-thirds of the members of "The 20 Club," for girls whose chests measure at least 20 inches larger than their waists (see page 69), achieved fame in the '90s. This was a time when bigger was better and girls sought out the hugest implants allowed by law. The world had a breast fetish, and our girls were eager to satisfy it. They became regulars on TV talk shows like *Jerry Springer* and *Jenny Jones* (who also once had breast implants).

As a teen, COLT 45 unloaded trucks for Kmart.

NIKKI KNOCKERS' *career as a dancer and model spanned two decades.*

If there was one big-tit queen maker in the 1990s, it was John Graham, the legendary photographer and one of *SCORE*'s founders. Although few of the mega-busty *SCORE* Girls of the 1990s were from the United Kingdom (the British Invasion wouldn't happen until 1999), Graham convinced the best girls, including American Tawny Peaks, Canadian Tiffany Towers and others, to visit JLG Studios in London and shoot for him exclusively. Many of these girls never modeled for anyone but Graham and helped make us No. 1.

***TAWNY PEAKS** and Tiffany Towers were discovered during Spring Break at Daytona Beach, Florida in 1990.*

Little-known fact: PANDORA PEAKS appeared several times on Spanish-language TV in the United States. Her tits did the talking.

Otis Sweat & the art of big tits

Artist Otis Sweat drew his first illustration for *SCORE* in the first issue and has been a vital part of the mag ever since. His talent, vivid imagination, and trademark style have brought to life the stories he illustrated and long-running features such as "Bomber Girls," "Rocket Girls" and "*SCORE* Next Door."

We sat down with the artist for an exclusive interview.

SCORE: How'd you get into art?
OTIS: From watching "B" westerns and older sci-fi movies every Saturday. I'd come home and draw everything I could remember. My first competition was in the second grade. I drew a self-portrait, white and brown wingtips and all. The prize was a jar of hard candy. I remember thinking, "Nothing can stop me now!"
SCORE: Describe your style.

Continued on page 86

The late John Graham found TIFFANY TOWERS (near right) at a wet T-shirt contest in Daytona Beach. LA BUST (far right) was our first covergirl.

Although we didn't have exclusive contracts with the vast majority of these girls, we didn't need them. By the mid-1990s, most of our competitors were fading into the background, and every busty feature dancer and club owner knew that the phrases "AS SEEN IN *SCORE*" or "*SCORE* COVERGIRL" on the marquee would always bring in crowds. Most of our models would've posed for nothing, just for the publicity.

Before she was a SCORE Girl and porn star, WENDY WHOPPERS was an honor role student in high school. "Then I started being wild."

The "Big '90s" didn't fizzle. It was simply replaced by another wave, the British Invasion of 1999 and the influx of naturally stacked *SCORE* Girls. But to this day, the greatest compliment a mega-buster can receiver is, "She could've been a star in the '90s."

The epitome of the big-boob, big-hair 1990s:
CANDY CANTALOUPES

New York City girl **BUSTY BRIANNA** was known for her sexy tan lines and flexible posing positions.

Germany's **CHLOE VEVRIER** wasn't just about big tits. She also had shapely legs and, often, a hairy pussy.

THE BOOB CRUISE

The Boob Cruise was the event that made *SCORE* famous, but we were searching for fun, not fame, when we sailed from Grenada for that first Cruise in 1994. "The first Boob Cruise was all about big-busted babes in paradise spending the days posing for readers, partying the nights away and getting up the next day and doing it all over again." *SCORE* Chief John Fox said. On-board: Chloe Vevrier, Europe DiChan, Tawny Peaks, Lisa Lipps, Danni Ashe and a shipful of very happy male passengers.

Top of the page, CASEY JAMES on the tender of The Legacy, the Boob Cruise 2000's Windjammer. Above, TAWNY PEAKS and LISA LIPPS sailing from Grenada on Cruise '94.

***SARENNA LEE** from the set that was used on the cover of the Boob Cruise '97 issue. It was shot at photographer Peter Wall's studio after the Cruise.*

ALYSSA ALPS wrote the ship's log on the 2000 Cruise. She didn't plan to pose for a photo shoot but changed her mind on the last day.

SARENNA LEE enjoys the surf on her first Cruise in 1995. Her presence on the cruises was always a major attraction.

Word of the Cruise spread fast, and it wasn't just readers who wanted to know how they could make their fantasy vacation happen. The moment we announced plans for the 1995 Cruise, just about every *SCORE* Girl we knew started vying for a spot on the ship. We were doing something people had dreamt about but had never attempted, and the cast of models for that second Cruise grew to the very lucky number of 13…along with the very lucky passengers.

***LINSEY DAWN MCKENZIE** graces the scenery on Prickly Pear Cay (near Anguilla) during the '98 Boob Cruise.*

MAXI MOUNDS *made sure she was in tip-top shape for BC 2000, and it showed.*

In 1997, the third Boob Cruise sailed with 21 girls, all superstars, all having the times of their lives. They frolicked on secluded beaches. They danced at night. They got to know their fans, the passengers, all of whom were pinching themselves and asking, "Is this fantasy real?"

Living the dream: A passenger can't believe his lucky eyes as he checks out RACHEL ROCKETTS and MINKA on Boob Cruise '98.

DANNI'S MOST VALUABLE PHOTOS

The old saying goes that when life gives you lemons, make lemonade. *SCORE* had itself a whole bucketful of lemons in 1995, when it returned from the second Boob Cruise without a photo set of Danni Ashe. But then, thanks to a gorgeous and eager model, some creative thinking and an industrious, detail-oriented photographer, we ended up with some of the tastiest lemonade a big-boob lover could ever want.

The story starts in the Caribbean, where 13 girls, a large group of passengers and more photographers than we had ever brought along for one-location project, set sail. It was *SCORE*'s most-ambitious endeavor yet–a significant step-up from the five-girl Cruise of 1994–and we planned to return with on-location photo shoots

BUSTY DUSTY models in the costume she would wear for her show that very night on-board The Polynesia (a Windjammer) during her first Boob Cruise in 1995.

Seemingly every *SCORE* Girl in the world was on the 1998 Cruise as it sailed from one small Caribbean island to another on what we called "The Ultimate Voyage." Said Summer Leigh, "I can see why everybody loves the Boob Cruise. Boob Cruise '98 was one of the best weeks I ever had." Same for the male passengers, many of whom saved up for years so they could go on the Cruise. It was money well-spent.

The first Cruise in '94 was an intimate affair with five girls. Here, EUROPE DICHAN and CHLOE VEVRIER stand above TAWNY PEAKS, LISA LIPPS and DANNI ASHE. At the time, we didn't know what a phenomenon the Cruise would become.

MINKA (near left) in St. Thomas the day before the '00 Cruise sailed. Far right, JESSICA TURNER on the same Cruise. Jessica celebrated her 21st birthday, and every passenger gladly bought her a drink.

The fifth Boob Cruise returned from the Virgin Islands on May 6, 2000. To this day, we're still asked when *SCORE* will set sail on another Cruise. Maybe one day it will happen. As the Boob Cruise proved, fantasies do come true.

Eager photographer/passengers enjoy ANGEL EYES on-stage, on-deck in '98.

LORNA MORGAN charmed every passenger she met on Boob Cruise 2000. She met 'em all! At the bottom, posing for the 2000 cover shot.

THE BRITISH INVASION

25 YEARS OF SCORE
1992 TO 2017

A passenger on Boob Cruise 2000, MORGAN LEIGH became 2006's Newcomer of the Year.

NICOLE PETERS, who has a pair of the finest hangers ever, was referred to us in 2002 by a photographer who specialized in Goth models.

In 1996, 18-year-old Linsey Dawn McKenzie from England made her *SCORE* debut, but even then, we couldn't know the huge impact British babes would have on the big-boob world. In 1999, we found out.

LORNA: The Busty Princess of Wales.

LEANNE CROW ***shows off her J-cup naturals on-location in Saint Maarten.***

Former masseuse KERRY MARIE made us feel good at 2001's *On Location Key Largo.*

Until 1996, slim 'n' stacked mega-busters, most of them from the United States, had ruled the big-boob world. That began to change with Linsey's arrival. Then Sammie Black and Jenny came onto the scene in 1997 and '98, but it wasn't until 1999, when Lorna, Kerry Marie and Jessica Turner debuted, that the British floodgates opened.

From Liverpool, KELLY KAY was a teenager when she debuted. Later, she posed with her mother.

SAMMIE BLACK was a quiet girl who spoke volumes with her giant naturals. She sailed on Boob Cruise '98.

Is there something in the water in the United Kingdom that produces big-titted babes? We've often wondered that. Of course, for many years, our ability to find busty Brits was aided by the fact that we had a studio in London, England, but to this day, the Brits just keep on cumming. Our new Model of the Year, Hardcore Performer of the Year and Hall of Fame inductee are all British babes.

2009 Newcomer of the Year ASHLEY SAGE ELLISON in St. Maarten. Her first shoots were in her parents' house!

Slovakia hasn't given us many girls, but in 2008, it gave us one of the best: ***KARINA HART.***

From Slovenia, **CASSANDRA** (left) went on to porn fame. Germany's **CHLOE VEVRIER** (right) was the subject of our first single-model website, ChloesWorld.com.

Back in the 1990s, almost every *SCORE* Girl came from either the United States or the United Kingdom. There were exceptions, such as Germany's Chloe Vevrier and Brazil's Angelique, but for a long time, the big-boob universe was small.

NADINE JANSEN bounced back from a motorcycle accident to become one of the greatest naturals ever.

***ALEXYA** (right) provides additional proof that they grow 'em naturally busty in Romania.*

Ultra-slim and
naturally stacked
MERILYN SAKOVA
won Newcomer and
Model of the Year.

Four Euro babes in Costa del Sol, Spain: [L-to-R] Veronika, Ines Cudna, Marketa and Iva.

It's hard to put an exact date on it, but 2001 seems about the time that the big-boob universe expanded. Call it The Big-Bang Theory of Big Boobs. Suddenly, girls were coming to our studio from all over: Germany, Slovakia, Hungary, Slovenia, Poland, Romania and the Czech Republic, then Russia and Ukraine, too. Denmark and Sweden have also contributed as have Australia and even Japan.

Romania's MICKY BELLS debuted as a V-Girl. When she lost weight, she kept her incredible hangers.

Sleep tight, TERRY NOVA, on your big, soft, natural pillows. This Amazonian Czech joined us for several on-location shoots.

BEA FLORA, a Polish babe with firm, natural FF-cups, dominated our dreams in 2005.

Once upon a time, *SCORE* had studios in Miami, Florida and London, England. Often, we'd go on-location for group shoots in the Caribbean and the Bahamas, and occasionally, our UK crew would make challenging, adventurous (and often risky) trips to Russia (where encounters with underworld figures who had a sharp eye for camera-toting tourists were not unusual). But when the big-boob world expanded, we did, too. Now, there's no place in the world we won't go to bring you the best busty babes.

NATALIE FIORE flew all the way to the Bahamas for her first shoot and was *Naughty in Nassau*.

Germany's ***ANNINA*** *became a porn star after she was fired from her job as a realtor.*

***JULIA MILES**, a wunderbabe from Germany who won Newcomer of the Year in 2000.*

The influence of the Euro Girls has been far-ranging. Merilyn Sakova, Valory Irene and Sha Rizel from Ukraine and Karina Hart from Slovakia have all won Newcomer of the Year. Merilyn, Karina, Valory and, now, Dolly Fox from Lithuania have won Model of the Year. Seven of the Top 20 girls in our 20th anniversary issue were from Europe.

With F-cup naturals and a 22-inch waist, SHA RIZEL is one of the sexiest and most-beautiful big-boob models ever. She appeared on game shows and variety shows in Ukraine before she showed us her tits in 2013. "I went to modeling school from when I was young until I was 16," Sha said.

Iron curtain falls, tits liberated!

History says that the Iron Curtain fell sometime between 1989 and 1990, around the same time the Berlin Wall came down. Eastern Europe was liberated. People who had only known communist rule were suddenly free to do as they pleased.

Some of them were pleased to model nude and have sex on-camera.

Now, sharp-minded readers will point out that the influx of Eastern European girls into western men's magazines and videos didn't happen in full force until the early 2000s. Why the delay?

Several reasons. First, for many years, photographers from the U.S., England and elsewhere didn't feel secure traveling into many of these countries. Crime was rampant. Poverty levels were high. These countries were adapting to democracy (and many still are). Second, many girls in these countries had trouble getting visas to travel to other countries, especially for modeling.

But the situation slowly changed, and by the early 2000s, girls in Eastern Europe were anxious, as some of our models have told us, to "do the things our mothers and grandmothers couldn't do." To express their freedom in the most-open, liberal way possible.

And once the borders fell for good, there was no turning back.

Regine's public expression of freedom.

VALORY IRENE, sitting pretty by the pool in the Dominican Republic during her first shoot in 2010, came all the way from Ukraine to be with us. She brought her perfect tits and apple bottom along, too.

First the bad news: Unless there are busty babes in another galaxy and we can find a way to get there, we've run out of places to find *SCORE* Girls. Now the good news: There's no shortage of *SCORE*-worthy girls on this planet, and there's no limit to how far we'll travel to find them. No doubt: The Euro Girls have made *SCORE* a better mag.

***VENERA** enjoyed her SCORE shoot in Montego Bay, Jamaica in 2011.*

SLIM 'N' STACKED

SANDRA STAR
went from star of our German edition to SCORE Girl.

If there's one phrase that best describes *SCORE* Girls, it's "slim 'n' stacked." Here at *SCORE*, it's not enough for a girl to have huge tits. For our readers, the smaller the waist, the better. It's a rare combination… less than .1% of the population.

Occasionally, a girl who's a bit voluptuous gets into *SCORE*, but only when her tits are so spectacular, we'd be doing you a disservice by not showing them to you. One of those girls, Ashley Sage Ellison, even won Newcomer of the Year. But readers have made it clear that slim 'n' stacked is where it's at.

THE 20 CLUB

The most-exclusive club in big tits!

To join this club, a girl has to have the right stuff: a bust measurement that's at least 20 inches larger than her waist. It's an exclusive club: Great slim 'n' stackers Venera, Crystal Gunns, Merilyn Sakova and Hitomi aren't in it.

The 20 Club was introduced in the November '99 issue when 20 girls became members: SaRenna Lee, Lolo Ferrari, Toppsy Curvey, Lisa Chest, Wendy Whoppers, Letha Weapons, Tawny Peaks, Candy Cantaloupes, Lili Xene, Busty Dusty, Kayla Kleevage, Traci Topps, Angelique, Crystal Storm, Tiffany Towers, Minka, Casey James, Colt 45, Lisa Lipps and Pandora Peaks. Since then, Chelsea Charms, Linsey Dawn McKenzie, Vanessa Montagne, Elizabeth Starr, Dee Dee Deluxxx, Keisha Evans, Melonie Charm, Roxi Red, Beshine, Maxi Mounds and Miosotis (right) have joined the club…a club in which popularity and knowing the right people just isn't enough.

Here at *SCORE*, we specialize in fantasies, and the girls on these pages are fantasies come to life. Beshine and Chelsea Charms, on the previous spread, went to great lengths to turn their bodies into spectacular, super-top heavy super-structures. They love the looks they get when they're out in public, and they get a lot of looks! Said Beshine, "I knew I wanted to get bigger, and when I started, I thought, 'I have to have them much bigger,' and then I thought that again, and so I grew and grew, and I liked it so much. I am really proud of my boobs, and I like when people look at me." Men and women can't stop looking.

AMY ANDERSSEN (top) & Hall of Famer DAPHNE ROSEN (right).

***DAWN STONE** was a readers favorite who did just a little bit of boy-girl hardcore.*

SUMMER SINN rubs MORGAN LEIGH the right way. Minutes later, a guy showed up to fuck Summer.

Former fashion designer BELLA FRENCH spreads her ass while CHRISTY MARKS displays her acrobatic skills.

Morgan Leigh sailed on the 2000 Boob Cruise and later said, "There were big, busty models all over, but I wasn't one of them then. I was a passenger, and I didn't have huge tits. I certainly wasn't a model then, but from that point on, I became a model. I became a dancer. The Boob Cruise changed my life. Being in *SCORE* was a big goal for me, and being 2006 Newcomer of the Year was something I never could have imagined." All of these girls boggle the imagination. *SCORE* is where they belong.

DANNI ASHE

Continued from page 41

of all 13 girls, a plan we thought we had executed to perfection.

But part of the adventure of shooting on-location in remote parts of the world is that things can and will go wrong, and when something does, you can't run off to the camera store for a quick fix or rely on a stash of backup equipment. Well, the saltwater environment sure was rough on both the mechanical and electronic parts of film cameras of that time (remember, we were a long way from the digital age), and a camera malfunction cut Danni's shoot short.

The big mistake was that during the hub-bub of the Cruise, the shoot was not rescheduled. An event such as the Boob Cruise needs to be planned out minute-by-minute well before the ship leaves its harbor, and although there are plenty of opportunities for impromptu shoots, we knew when and where we wanted to shoot each girl's individual pictorial. So, unbeknownst to all of us, we returned to our base in Miami, Florida without the photos we needed for Danni's pictorial.

On our first day back at *SCORE* headquarters we unpacked our bags and started going through the process of sorting out film cannisters and preparing to send them to our lab. But before we even realized we were without a Danni pictorial, we get a call from Danni, now back in California, explaining what had happened. Oh, sure, we had plenty of candid and on-board photos of Danni but no complete photo set.

But Danni, who was among the most-popular girls on the ship, wanted to be in the Boob Cruise issue just as much as we wanted her in it. She knew how disappointed many of the passengers would have been if she wasn't included. So, Danni jumped on a plane and flew back to Miami. Although Miami isn't, technically, in the Tropics, it does have a semi-tropical climate and environment; and many areas could easily pass for the Caribbean or the Bahamas.

On a chilly winter morning, Danni and photographer Peter Wall drove to one of those places: the mangroves on Key Biscayne, an island just off the coast, for what turned out to be a very memorable shoot. The weather wasn't exactly tropical, but the model, the setting and the light couldn't have been

more perfect.

Much to Danni's delight, the layout was published in the Boob Cruise '95 issue and later republished in the September 2000 *SCORE*, our 100th issue. In 2004, Danni asked to borrow the photos so she could post them on her own website. She told us then that it was one of her favorites. Danni was one of the most professional and hardest working models we've ever worked with and we all had to work hard for these photos. Maybe that's what makes this shoot so sweet to remember.

And now, more than 20 years later, we're featuring a photo from that shoot on pages two, three and 41. Hard to believe it wouldn't have happened if things hadn't gone wrong, isn't it?

One more note about that shoot in the mangroves: It couldn't have happened without Danni, but it might not have been as exceptional without the hard-working professionalism of Peter Wall. Remember, Peter had just returned from the Cruise, during which he had worked 20-hour days and dragged heavy photo equipment all over the Caribbean. But Peter never shied away from a hard day's work, especially when beautiful, busty women were involved, and he, like all professional photographers, knew that the best light of the day doesn't happen at high noon. It happens early in the morning, before most people have woken up.

That Danni photo shoot on Key Biscayne was one of Peter's shining achievements. There were numerous others (a shoot on a gorgeous pink-sand beach in Eleuthera, the Bahamas for *Big-Boob Paradise* comes to mind), and many of the photos in this issue were taken by him. He sailed on all five Boob Cruises, was our primary photographer in Miami for over 10 years and also discovered more great models than we can count. The girls loved him.

"It helps when you have a belly like mine!" Peter once joked. "I'm a little older. I'm not a threat to any boyfriend."

Indeed, he was the best friend a big-boob lover could ever have.

As Peter once said, "Some magazines don't care about the quality of the photo, but at *SCORE* we do." He and the many fine photographers who have worked for *SCORE* are the unseen heroes of this issue.

Perhaps that's one of the reasons we're still going strong 21 years after that day in the mangroves.

TIGERR BENSON

"I don't really perform," British sexpot Tigerr Benson said of her hardcore scenes. "It's just what I like to do. I like sucking and ball-licking a lot. I can take really big cocks in my ass and enjoy it. I love sex in cars, taxis and any kind of vehicle. I love to be DP'd. I have a dirty mind." We can read Tigerr's mind. Her thoughts come across loud, clear and horny in all of her scenes. It's her passion for sucking and fucking big, hard cocks on-camera that made Tigerr our 2016 Hardcore Performer of the Year, narrowly beating out Sheridan Love, 2015's winner.

We asked Tigerr what she likes about doing DP scenes, and she said, "Everything in my mind in that situation becomes dirtier, especially when the guys compliment me while they are enjoying me. I like the feeling of pleasing them both as well as being pleased in all my holes. I like it when I'm on top of a guy and one is behind me. I like to feel their breath near my face. Closer to me. And I love all of the cum. It's fun being covered in cum, anywhere on my body or in my body, in fact." Tigerr told us that she wants to be our number one girl. When it comes to on-camera sex, she is!

Tigerr was born in Canada and grew up in England, but as one admirer said, "I don't care where she's from. She's super-hot." Said R.L. from Ottawa, Canada, "Tigerr has that combination of exotic looks and a sweet disposition that is rarely seen. Then you add to that her huge tits and appetite for doing the nastiest stuff on-camera and you have the makings of a *SCORE* big-tit star." A big-tit star who celebrates her award by getting a cum bath from two very lucky guys. Congratulations, Tigerr!

OTIS SWEAT

Continued from page 31

OTIS: Whatever I do, I think of it as a big cartoon. Anatomy gives it realism. Cartoon gives it life.

SCORE: Do you have any special inspiration for the girls you draw?

OTIS: Yes. *SCORE* magazine!

SCORE: What was the inspiration for "Bomber Girls"?

OTIS: John Fox asked if I would draw a one-page feature for *SCORE*. I've always loved airplanes. In grade school, I drew classmates' favorites for 25 cents, my first commissions! "Bomber Girls" was the first thing I suggested to John, and he liked it. And "Rocket Girls" was the result of all those "B" sci-fi movies.

SCORE: How long does it take to create a *SCORE* illustration?

OTIS: It varies depending on the idea. For fiction, it's the story that's most important. It's not for me to make up stuff. The illustration should match the story details and follow the editor's art direction. The purpose of an illustration is to inspire someone to read the story. Barbara, my wife, and I toss ideas and visuals back and forth. Then I draw the sketches, compose the final pencil art and complete the finished color using traditional airbrush with acrylic paints. For special features, the process changes. For instance, "Bomber Girls" starts with my own idea or a pun like "Muff-Tang Sally," and I make the illustration fit.

SCORE: When did you start working in the porn/big-boob niche?

OTIS: When I had the great good fortune of working with John Fox. He was the editor of *Gent* at the time. But I've been an artist my whole life. I can't imagine doing anything else. Lately, I've been accepting commissions through our website, sweaterotica.com. There's a whole new fandom out there that wants something besides a 25-cent airplane drawing.

SCORE: What's your favorite *SCORE* painting of all?

OTIS: "Rocket Girl 10." I'm currently illustrating my own adult graphic novel featuring them. The first "Rocket Girl Adventure" features #10, Bhetty. It's called "Into the Alien Night, a Bhuck and Bhetty Adventure." Each frame has the quality and details of the series.

KATIE THORNTON

It had to happen. Hitomi couldn't win Model of the Year every year. Or could she? As the ballots kept coming in and we neared the deadline for readers and *SCORELAND* members to submit their ballots, the three-time Model of the Year was holding onto a narrow margin over England's Katie Thornton. But the margin wasn't getting any smaller and time was running out. We were down to days, then hours, minutes. But little by little, Hitomi's margin did get smaller until, finally, she and Katie were tied with just one small stack of about 100 ballots to be counted. A stack that favored stacked Katie.

SCORE MODEL OF THE YEAR 2016 WINNER

Katie, our 2015 Newcomer of the Year, became the first *SCORE* Girl to pull off the Newcomer/Model double since Hitomi in 2012 and '13. She did it with a spectacular combination of startling beauty and huge tits. "The world would be a better place if all women looked like Katie Thornton. She has no equal," reader Bill S. said.

And, finally, "There are few things left to say about this amazing girl except that I hope 2017 brings us much more Katie."
